

Speaking Events Schedule

Climb Speech Camp

Note that our schedules are adjusted to maximize our camp's goals.

Our emphasis: Short but engaging lectures followed by students putting into practice the lecture's sound principles of speaking with individualized specific feedback to improve.

During the Week, you will engage in Platform (Informative/Persuasive Speaking), Interp (Performing Play/Poetry/Prose cuttings), and Limited Prep (speaking with limited amount of preparation). You'll finish a more accomplished speaker with speeches you can use in competition or in regular situations.
